25th Annual Boat Rally – Whitchurch Arm, Llangollen Canal 1st and 2nd September 2018

We would like to invite you to our Boat Rally which is being held on the Whitchurch Arm of the Llangollen Canal.

Whether this is your first visit to the Whitchurch Arm or a seasoned visitor, we would be delighted to welcome you for what, we hope, will be a very enjoyable week-end.

Rally Help

As always, if you are able to help at the Rally it would be appreciated please.

Mooring Chains

Locked mooring chains must not be used for the duration of the Rally.

Bankside Mooring

The demand for bank side mooring has increased dramatically over the past few years with increasing numbers having reason to want to be bank-side. Please specify if a bank side mooring is required, and the reason for it, on your application and we will endeavour to accommodate your request.

Car Park

If you are planning to bring a car to the Rally please do not park it within Chemistry Farm as parking is limited & we wish this to be kept clear for stall holders, rally vehicles and emergency vehicles. If you do need a car parked at the farm, it is *strictly* one car. Please ask the permission of a Rally official and ensure a name and contact number is displayed in the windscreen. Additional parking is available at the Country Park car park in Chemistry.

Reservations

Places can only be reserved upon receipt of a completed and signed Application Form together with the appropriate entry fee.

Finally, we would remind you that the towpath is not secure and we would urge you not to leave valuables unattended on the towpath at any time during the Rally.

We look forward to seeing you at the Rally. If you have any questions in the meantime please contact us using the details at the foot of this page.

Kind regards

Lindsay Green

on behalf of The Rally Committee
